Things to Know

Summer Vacation Care

How to make permanent bookings:

- Permanent bookings must be indicated on a green booking form or by email.
- To make changes throughout the year the green booking form (obtained from the office) or email must be completed and handed in giving one weeks notice of any changes.
- Even if your child/ren are absent, permanent bookings are paid for. However, if your child/ren will be absent for at least one week we need to be advised at least one week in advanced through the blue Extended Leave form (obtained in the office) or by email, so that you are not charged for the time away.
- Swapping permanent days within the same week is not permitted. You will be charged at casual rates for the extra

Welcome...

We've been in full swing of our Summer Vacation Care for the last 3 weeks, and have welcome back familiar faces but we've also got to meet some of our new 2018 kindergartens!

Everyone has settled in nicely over the summer break. We've adventured out to some new and exciting places and have enjoyed the warm weather with loads of water play whilst at the centre.

As the holidays are over, it's back to usual for before and after school care. We are super excited as this year we will be focusing on providing a fun and intriguing program for all.

Let the good times begin!!

Welcome BBQ

On Friday 16th of February, we will be hosting a welcome BBQ for all families.

This is a great opportunity for families to meet other families that attend our service, our educators, our committee members and ask any questions you may have. Plus we will have loads of fun games for all the children, like a jumping castle and face painting.

Further details will be sent out an invitation next week.

Enrolments

Just a reminder if you haven't completed your 2018 re-enrolment for your child/ren, you must do so to secure your bookings.

Families that haven't enrolled yet and send their child/ren to care will be receiving a phone call to get their enrolment in or the next time you will be asked to pick your child up from care.

It is critical to enrol your child/ren, as we need to make sure we have the correct amount of educators:child ratio on for the session and we can cater to all children needs.

If you haven't enrolled or just unsure, please contact Manea for further help.

MJCC

MJCC the best place to be!

The staff laugh and shout as the kids have fun all about.

They're all for one and one for all, as we go on excursions in the fall.

Catching up on the latest trends, while hanging with our brand new friends.

Keeping our wonderful centre clean after eating all our scrumptious greens.

As our parents come to end the day, all we want to do is STAY!

In our eyes it's clear to see, MJCC really is the best place to be!
